Lily Griffiths

Intern Candidate

PROFILE

Bilingual (EN/FR) University of Concordia student in Computer Science seeking to apply strong organizational, technical, and creative skills in a game dev environment.

EXPERIENCE

Mooredale Day Camp, Toronto — *Camp Counsellor*

July 2018 - August 2024 | Summer position

Planned and facilitated daily programming for groups up to 15 campers aged 4-12, ensuring safe and structured activities in a fast-paced environment.

- Maintained accurate daily attendance records and incident reports, ensuring information was up to date and available to supervisory staff.
- *2023-24*: Led the leaders in training (LIT) program – coordinated scheduling, mentored 10+ senior campers, and monitored individual progress through scheduled check-ins.
- Communicated regularly with parents and guardians regarding camper wellbeing, activity updates, and any incidents, maintaining professional and empathetic rapport.

Computational Arts Student Society, Concordia — *Member*

January 2024 - 2025

- Coordinated departmental events and communication initiatives, supporting planning and liaising between students and administration.
- Contributed to advocacy efforts to improve program resources and student experience within the department.

EDUCATION

Concordia University, Montreal— *BA/BCompSc*

Sept. 2023 - 2027

Currently enrolled in a dual major of computation arts & computer science – a combination of creative design and technical programming.

Branksome Hall, Toronto— *High School/IB Diploma*

Sept. 2017 - June 2023
